BLACK AND WHITE SLIDEFILMS

Canning chicken, No. 658. Released March 1945. (Ext.;HNHE) Shows how to can poultry according to the methods recommended by the Bureau of Human Nutrition and Home Economics, and also demonstrates a quick and simple way to cut up a bird. (45 frames: Single, \$0.60; double, \$1.00)

Canning meat, No. 659. Released June 1945. (Ext.;HNHE) Shows how to can meat according to methods recommended by the Bureau of Human Nutrition and Home Economics. (40 frames: Single, \$0.60; double, \$1.00)

Canning vegetables the steam-pressure way, No. 661. Released June 1945. (HNHE;Ext.) How to can snap beans according to the method recommended by the Bureau of Human Nutrition and Home Economics is shown step by step in this slidefilm. All vegetables, except tomatoes and pickled beets are canned this way. The photographs were made in the laboratories of HNHE, and follow the method described in C-8 Home Canning of Fruits and Vegetables. This leaflet, issued by the United States Department of Agriculture, includes timetables and other printed directions as well as many of the pictures shown in this slidefilm, so that home canners may have them for inspection and ready reference. (32 frames, double, \$0.90)

Canning fruits and tomatoes. No. 660. Released June 1945. (HNHE:Ext.)  
This slidefilm is in two parts. Following introductory pictures of equipment, Part 1 shows how to can a fruit, illustrating step by step with peaches, according to the method recommended by the Bureau of Human Nutrition and Home Economics. Part 2 shows how to can tomatoes by the same method. Other acid vegetables canned the same way are pickled beets, sauerkraut and ripe pimento peppers. (49 frames, double, \$1.00)

Cooking meat according to the cut. No. 314. Revised May 1947. (HNHE;BAI;Ext.)  
Because of its great popularity, this slidefilm has been revised for better presentation. It illustrates methods of cooking various cuts of meat so as to conserve food value and bring out flavor to the fullest extent. (54 frames, \$0.65)

Cooking poultry, older birds. No. 561. Released April 1939. (HNHE; Ext.)  
Steps in braising, casseroles, steaming, and stewing older birds; suggestions for typical dishes. (38 frames, \$0.60)

Cooking poultry, young birds. No. 560. Released April 1939. (HNHE;Ext.)  
Shows steps in broiling, pan frying, French frying, roasting chickens, and how to cook other young birds. (51 frames, \$0.65)

Pots and pans for your kitchen. No. 693. Released July 1951. (HNHE;Ext.)  
What the essential kitchen utensils are and what to look for in selecting pots and pans. (43 frames, \$0.60)

Slip covers for straight chairs. No. 592. Released October 1940. (HNHE;Ext.)  
Shows in detail how to measure for amount of material needed; how to choose fabrics; how to cut, fit, and finish. (64 frames, \$0.65)

Slip covers for upholstered chairs. No. 591. Released October 1940.  
(HNHE; Ext.) We see how to measure two types of these chairs for amount of material needed; select fabric; cut, fit, trim, finish, make and use patterns. (65 frames, \$0.70)
